

FI Connect

Are you interested in acting or screenwriting? If so, the Development Department wants to hear from them!

We're inviting pitches for short films or mini-series — the format and genre are completely open. If their idea is selected, we'll host auditions for anyone interested in joining the production.

This is a fantastic opportunity to create engaging marketing content while giving aspiring actors, writers, and filmmakers a platform to gain experience and showcase their talents.

Let's build something creative together and shine a spotlight on the talent within The Arc Allegany-Steuben!

DSP EVALS

What is a DSP Eval?
DSP Evals are annual evaluations on different supports that Self-Hires provide. It gives feedback on successful areas and areas that have room for improvement. It is a great tool to measure if Self-Hires are meeting the needs of the people that they work with.

Where can I complete the eval?

The evals can be completed within the Evero app. If you can not find it or are having difficulties please reach out to your FI or the FI assistant.

An evaluation needs to be done every year.
