

Foundation Grant Guidelines

AREA: Grants
PROCESS: Distribution of Foundation Grant Funds

.....

The Foundation is interested in funding creative and innovative ways to serve the people we support. Therefore, a portion of the funds raised each year will be allocated for special projects and needs. The following are general guidelines.

Guidelines

1. Grants will be awarded to projects of The Arc Allegany-Steuben or groups sponsored by The Arc Allegany-Steuben. Operating expenses for existing services would not normally be considered.
2. The Foundation Board of Directors will determine the amount of funds available for distribution during the first quarter of the calendar year, based upon the amount of total funds raised the previous calendar year.
3. Grant applications will be accepted anytime and should be sent to the Fundraising Manager at **least two weeks before** the next Foundation Board meeting. Meetings are held on the third Wednesday in January, March, May, September, and November unless otherwise scheduled. All requests are to be submitted on the Application for Funding form A-4,015.
4. A grant application will be reviewed at the next meeting of the Board of Directors. The application will be approved, disapproved, or deferred pending additional information. An approved application may also be deferred until adequate funds are available. The applicant will be notified of the determination.
5. Grant recipients must send an initial progress report three months after receipt of the grant and again at the close of the calendar year. The progress report should include a narrative describing programmatic/project progress, plans for completion, and an accounting of funds expended.
6. Contact Person and/or Division Director responsible for the approved project will submit agency purchase vouchers to the Fundraising Manager for review using the established cost center and expense account numbers.
