**The Arc Allegany-Steuben Offers Summer Youth Employment Program**

The Arc Allegany-Steuben is currently accepting applications for its Summer Youth Employment Program. The program is open to students ages 16+ with a diagnosed disability living in Allegany County.

The Summer Youth Employment Program gives youth an opportunity to work and earn money during the summer. The Arc Allegany-Steuben works with local businesses to find work in the communities where you live and positions that are in your areas of interest. Each student will have the aide of an on-site job coach throughout each of their shifts. Students will be paid \$14.20 per hour and will be required to work between 10 and 15 hours per week for 6 - 7 weeks. Applications are being accepted for the Summer Youth Employment Program until June 1, 2023.

If you have questions about the program or if you would like to sign up, please contact Christina Lyon, The Arc Allegany-Steuben's Director of Vocational Services, at [christina.lyon@thearcas.org](mailto:christina.lyon@thearcas.org) or call 585.593.5700 ext. 227.
