The Arc Allegany-Steuben Offers Summer Youth Employment Program

The Arc Allegany-Steuben is currently accepting applications for its Summer Youth Employment Program. The program is open to students ages 16+ with a diagnosed disability living in Allegany County.

The Summer Youth Employment Program gives youth an opportunity to work and earn money during the summer. The Arc Allegany-Steuben works with local businesses to find work in the communities where you live and positions that are in your areas of interest. Each participant will have the aid of an on-site job coach throughout each of their shifts. Participants will be paid minimum wage and will be required to work between 10 and 20 hours per week for 6 - 7 weeks. Applications are being accepted for the Summer Youth Employment Program until June 12, 2026.

If you have questions about the program or if you would like to sign up, please contact Dan Shutt, The Arc Allegany-Steuben's Associate Director of Vocational Services, at daniel.shutt@thearcas.org or call 585-593-5700 x 223.
